SAHIL NIKAM

Software Developer | Java | Spring Boot | SQL

Pune,India | 7385192062 | sahilnikam107@gmail.com | LinkedIn | GitHub

---

PROFESSIONAL SUMMARY

Motivated Software Developer with hands-on experience in Java, Spring Boot, SQL, MySQL, and web application development. Completed Full Stack Java training and a Trainee Software Engineer internship, working on real-time projects. Skilled in developing REST APIs, database-driven applications, and CRUD operations. Eager to contribute technical skills and grow as a Software Developer in a dynamic organization.

TECHNICAL SKILLS

Programming Languages: Java, SQL
Frameworks & Technologies: Spring Framework, Spring Boot, Hibernate
Web Technologies: HTML5, CSS3, JavaScript
Database: MySQL, SQL Queries, Joins, Indexes, Stored Procedures
Backend Development: REST APIs, CRUD Operations, Database Integration
Core Concepts: OOP's, Exception Handling, Collections Framework, Multithreading(Basics), SDLC
Tools: Git, GitHub, Eclipse IDE, VS Code, MySQL Workbench, Postman

---

INTERNSHIP EXPERIENCE

Trainee Software Engineer Intern
Cravita Technologies India Pvt. Ltd., Pune **Dec 2025 – June 2026**

- Worked on real-time live software development projects under the guidance of senior developers and team leaders.
- Assisted in designing and developing Java-based web applications.
- Collaborated with team members on database design and backend development activities.
- Gained practical exposure to software development lifecycle processes and industry best practices.
- Worked with Java, Spring Boot, SQL, and MySQL in project implementation.

PROFESSIONAL TRAINING

Full Stack Java Developer Training | Fortune Cloud Technologies, Pune **Jun 2025 – Dec 2025**

- Developed dynamic web applications using Java, JSP, and Servlets.
- Learned backend development using Spring Framework and Spring Boot.
- Built database-driven applications using MySQL and JDBC.
- Implemented CRUD operations and MVC architecture in real-time projects.
- Designed responsive user interfaces using HTML, CSS, and JavaScript.

PROJECTS

GoldenGlow – Salon Appointment Booking Web Application

- Developed a salon appointment booking system to manage salon services and appointments.
- Implemented user authentication, service management, and appointment scheduling modules.
- Built backend functionality using Java, JSP, Servlets, and JDBC.
- Integrated MySQL database to manage users, services, therapists, and bookings.
- Optimized SQL queries to improve application performance and responsiveness.

Technologies: Java, JSP, Servlets, JDBC, MySQL, HTML, CSS, JavaScript, Git

Training Batch Management System

- Developed a web-based Batch Management System to manage students, trainers, courses, and batch schedules.
- Implemented secure CRUD functionality for batch creation, updates, and management.
- Designed RESTful APIs using Spring Boot for backend communication.
- Integrated MySQL database for storing student, trainer, and batch information.
- Performed testing and debugging to ensure application reliability and performance.

Technologies: Java, Spring Boot, Hibernate, JPA, REST API, MySQL, HTML, CSS, JavaScript, Git

---

EDUCATION

Bachelor of Computer Science (BCS) **Aug 2022 – Aug 2025**
Karmaveer Bhaurao Patil College, Urun-Ishwarpur **CGPA: 8.55**

CERTIFICATIONS

- Full Stack Java Developer Certification – Fortune Cloud Technologies, Pune
- SQL, MySQL & PostgreSQL All-in-One Database Course – Udemy

SOFT SKILLS

Problem Solving | Team Collaboration | Communication Skills | Analytical Thinking | Time Management
